SUBMISSIONS FOR NEWSLETTER BY 12TH OF THE MONTH

June 2022's Demonstrator: Helen Ruma

Another fabulous demonstration and workshop. Thank you Helene, you certainly kept us entertained and enthralled, and made painting with palette knives look easy.

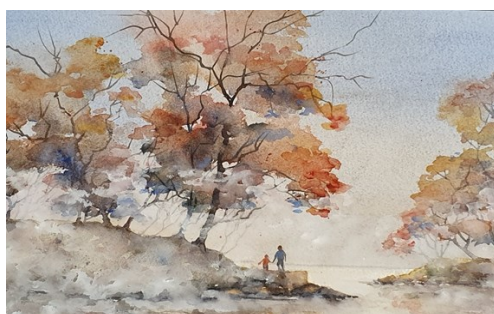

Facebook: [Marlene Palagyi](#)

MARLENE PALAGYI, Artist/Teacher

Marlene's art has evolved over the years from acrylics and pastels to the soft translucency of watercolour, which has now become her passion to reflect the light, colour and textures of nature.

She has won several awards and prizes on the Central Coast, in the Hunter Valley and Sydney.

She is an active member of the Central Coast Watercolour Society, the Central Coast Art Society and the Toukley and District Art Society and exhibits her watercolours at local galleries, cafes and exhibitions.

Marlene now teaches beginners' classes and workshops for local art groups.

List of Materials for your Workshop

Marlene will be demonstrating the importance of leaving whites in your watercolour paintings for that extra life and contrast. Negative painting is one way of achieving this. Your purest whites and your darkest darks are what give your artwork that extra punch. In the workshop you will paint an image of **Sand Dunes** incorporating whites and darks.

Paper: Preferably 300gsm rough

Brushes: Large, medium and small mop brushes and a rigger brush

Paint: Raw sienna, cadmium yellow, alizarin crimson, burnt sienna, cobalt blue and ultramarine blue

Just bring what you have and we'll work with it.

Summary of Minutes of June's Committee Meeting held 30.05.2022

- Our 2022 exhibition acquittal has been submitted to LOMCC.
- Thanks to our outgoing Committee members for the wonderful contributions they have made over the years. Nerida Merlin, John England and Gail Dawkins.
- Welcome to our new Committee members, Marina Optland, Hayley McLaughlin and Linda Ruffle.
- We now have 110 members, which includes one honorary member and 5 life members. A list of "Friends of ALM" is being compiled - non-members who have either bought paintings or attended our annual Art Show and would like to be notified of upcoming ALM events and demonstrations.
- We have a healthy bank balance, which we intend to use to buy more lights, and continue to help ensure we get high quality demonstrators for our meetings.
- Our last demonstrator, Kathryn de Boer, proved to be very popular and a great success. We are hoping she will come to our X'mas meeting where we will paint an apron or T-shirt with a X'mas theme.
- Soon videos all of our latest demonstrations will be available on a USB drive and can be hired from the library.
- When searching to ALM on Facebook the letters "Inc" must be put after the name i.e. [ART Lovers Movement INC](#) to ensure you are directed to the correct site. We now also have an Instagram page.
- A list of demonstrators will be near the entry for your information.
- At our previous few meetings there have been some problems with the camera. Hopefully these have now been sorted out. Any member who would like to learn how to use the camera please let one of the Committee know. We need back up operators.
