## NEWSLETTER

AUGUST 2022 No.249

### FROM THE EDITOR'S DESK . . .

**Hello Art Lovers,**

We are looking forward to our September Demonstrator, **DENISE PAINTER\*** - her bio & details are on page 2. As this will be a collage workshop, you will need to give your artwork colour, shape, either in large or small images, from magazines, giftwraps, calendars, cards, internet, etc.

Unfortunately our October demonstrator, **Annette Kelsey** has had to cancel due to illness and we wish her a speedy recovery. **MARLENE PALAGYI**, will take Annette's place - **Marlene's** bio and list of materials will be in next month's newsletter.

I've heard that this month's ALM demonstration/workshop with **ANNIE PALMER** was very enjoyable and a great success with those attending finishing their artworks! Thank you Annie and thank you Marina Optland for taking the photos - see page 3. Jeff Strokes's video presentation was highly praised and a USB stick will be available to borrow from ALM's Library in due course.

Good News! **HELEN RUMA\*** has organised workshops to be held at the Morisset Showground Pavilion and ALM is extremely pleased that **KASEY SEALY\*** has agreed to do weekend workshops 26/27 November for very reasonable prices.

If you haven't received an invite to join ALM's Facebook page, and wish to join, please email me - [artcooranbong@gmail.com](mailto:artcooranbong@gmail.com) for an invite or click on [Art Lovers Movement Inc](https://www.facebook.com/ArtLoversMovementINC)

Cheers,

**Nikki Craig**

SUBMISSIONS FOR NEWSLETTER BY 12<sup>TH</sup> OF THE MONTH

*Einstein is quoted as saying, "Creativity is contagious, pass it on"*

## Denise Painter, Artist/Teacher

Her creative journey commenced in 1993 when she decided that she would be a 'stay at home mum'. She began to explore creative possibilities and enrolled in various courses such as Colour & Design and Graphic Design, and more recently Visual Arts at TAFE.

Over the last 25 years Denise has developed a unique style and now loves to create using Collage and Mixed Media techniques. Her works are handcrafted or created using digital techniques.

She loves to explore the possibilities of the abstract/surreal using colour as an integral part of the piece.

Three years ago, she moved from Sydney to Toronto, Lake Macquarie where she has her Studio – ["YouCreate Studio & Gallery"](#) and holds her classes / workshops.

## List of Materials for your Workshop

The objective of this workshop is to demonstrate and explore the world of Collage. When you are researching the images you might use in the design, don't be too literal. Let your imagination wander - research and identify images you like from any source i.e. magazines - flick through and tear out anything you like - colour, shape, large or small mages from magazines, giftwrap, calendars, cards, internet.

### Bring with you:

- ½" Taklon flat brush or similar
- A3 or A4 canvas board - purchase at 2dollar or art shops
- Apply 2 coats of Acylic Titanium White before workshop
- Clean Kitchen sponge
- Chux or clean cloths
- Scissors (small curved fine points) - either embroidery or cuticle scissors
- Blue Tack
- Small dish for water and palette
- Don't forget your drop cloth, easel and LUNCH

Denise sells the most beautiful flat wrap papers, some of which are on sale - go to ["YouCreate Studio & Gallery"](#) Also she's started a gorgeous scarf line which you can find under her "Fashion & Stationery" tag.

## August 2022's Demonstrator: Annie Palmer

Thank you Annie for a great demonstration/workshop and Jeff Stokes for a wonderful job with the video.

### **SOUTH LAKES ARTS AND CULTURAL SOCIETY INC "SLACS"**

There is a very big need for artists on the southside of the Lake to have a place to hold classes and workshops not only for professional painters and sculptors but artists to get-together to create and exchange information. We have started by booking the

Pavilion (dining room) at the Morisset showground every Monday during school term until 19 September from 9.30 am to 12.30 pm with the intention to carry on through to the next term. We need to show that there is a need and that we require a permanent facility for classes and workshops.

Initially, the Pavilion is the venue we are using for get-togethers and we are planning to have tutors joining us for an additional fee. Helen Ruma and Kasey Sealy will be having workshops in the next three months.

The annual joining fee is \$25 (includes exhibiting fee) then \$10 for each Monday attended, \$14 for casuals.

Please contact Catherine Row to book a Monday class - 0415 345 169

You can also request to join our Facebook Page - click [SLACS](#) which will notify you of what's going on at the Pavilion and take a look at the photos.
