NEWSLETTER

OCTOBER 2022 No.251

FROM THE EDITOR'S DESK . . .

Hello Art Lovers,

Welcome to new Members: Sandra Williams and Pauline Richards.

Many thanks to this month's Demonstrator, **MARLENE PALAGYI** for a wonderful watercolour demonstration and workshop - page 2.

DENISE LOMBARD, is November's Demonstrator - **Denise's** bio and list of materials is on page 3.

Don't forget **HELEN RUMA'S** November workshops at the Pavilion, Morisset Showground - page 7

There are a few places for **KASEY SEALY'S** weekend workshop 26/27 November.

I'm sure you know by now that the annual Morisset Show to have been held this month had been cancelled due to the waterlogged grounds which are not suitable for the animals, vehicles, etc.

Cheers,

Nikki Craig

DENISE LOMBARD, Artist

In 2001, for their safety, Denise and her husband moved from South Africa to Australia. To appreciate their adopted country they decided to explore this vast continent, especially the "Outback" desert encompassing the major area of their new home. The diversity, colours, textures, light and mood of the landscape inspired Denise to renew her passion with painting. Over the years, working as a physiotherapist, wife and mother, she attended many art courses and lately online classes.

During Covid and lock down, Denise's art practice underwent a radical change. Unable to get to art supplies she took old paintings and re-worked them with material found in her garden and home. This then progressed to new work using paints, bark, pebbles and anything to give the effect she wanted, glued on with wood glue and creating three dimensional work.

In her demonstration she will be showing the techniques used to create these effects. She will also be creating a small work from an abstract doodle using what you have at home. This is quick and fun and will be what we will do in the workshop.

List of Materials for your Workshop

Paper: A sheet of good quality watercolour paper, at least 200 gsm - A4 size or larger, taped all around on a board with the rough side up for working on.

Medium: Any inks and felt tip pens

Brushes: Large to medium watercolour brush

Essentials: Paper glue with an old brush for application, paper towel, rags, cover for the table, container for water, hairdryer if you have one to share.

No need to bring any bark etc as Denise will provide these materials.

If you are a quick worker bring another piece of paper.

ALM 2022 X'MAS WORKSHOP & PARTY

with Kathryn deBoer

We will be painting on fabric! You need to purchase either an apron, cushion cover, calico bag or a piece of cotton fabric in a colour of your choice that can be made into something later such as a table runner. Spotlight or the Reject stop sell some of the items and Kmart sell white t-shirts.

Announcements from September's Committee Meeting held

The Committee met 1 week earlier because of the public holiday on 3 October

- ALM have given Morisset High School 2 vouchers for their end of year art prizes
- A generous donation of art related supplies has been sent to Lismore. Thank you to everyone who made donations. A magnanimous donation was made by the deceased estate of a non-member which was passed on to Lismore.
- We have some members who are not in the best of health. We wish them a speedy recovery and hope to see them back at ALM very soon.
- Payments to ALM can be made using our very convenient eftpos device, cash is also accepted.
- Our Xmas meeting this year should be fun. Find out all about it in this newsletter. It will be held on our normal meeting day at the Cooranbong Community Centre.
- ALM will be participating in an over 50's Expo to be held at Morisset Church in the Trees (almost opposite PCYC) on Friday 7 October.
- The ALM Kasey Sealey workshop may have one or two places left. Contact Lynne on 0423 674 523 if you would like to attend go. The balance is due by 3 November which is our next meeting.
- All About Framing has ceased to operate, so Rob will not be coming to help us with our framing. We are looking into ways that will help our members with framing their
