## Jan Cristaudo Artist | Oils & Acrylics (Abstract)

*"Colour has always fascinated me. It is the first thing I see, then comes shape and form. As an abstract artist I use colour to interpret the way I see the world."*

Jan Cristaudo lives on the Pittwater Peninsular among Sydney's beautiful northern beaches. This idyllic location, together with her frequent travels, provides an endless source of inspiration.

The use of colour is her preferred method of expression and she has a distinctive style using oils on canvas to interpret the subjects that inspire her. Jan's paintings are held by individual and corporate clients.

Jan Cristaudo has been accepted as a featured artist by Circle Foundation of the Arts, an international platform for visual art that showcases a selection of remarkable artists from around the world.

### Summary of July Committee meeting held on 4 July 2023

- **Change of Membership Rules:** potential members, who would like to exhibit in the ALM exhibitions and are unable to attend most monthly meetings due to work commitments, the Committee has decided that they can enter as long as their membership is current. Attendance at three meetings in the preceding year is now not a prerequisite for entry.
- ALM bank accounts will be transferred to Newcastle Permanent as Westpac is no longer available in Morisset.
- Members who have not paid their annual dues will be deleted from the membership database as of 31 July 2023. They will have the opportunity to remain a "friend" of ALM and will receive newsletters by email.
- If members who want to rent a DVD of a particular demonstrator, they need to ask Julia as the boxes of DVDs will not be on display. Demonstrations in future will be recorded on USB sticks for \$2 to borrow.
- A replacement demonstrator is being organised for October, as Annie Palmer is ill.
- Committee meetings will change to the last Tuesday of the month to allow for more time for newsletter organisation.
