

Christine Kinnane - Currently ALM Art Director

A self-taught artist, I have been an ALM member for around 6 years. I have attended and enjoyed almost every workshop at the ALM over that time. I have been awarded many 1st, 2nd, Honourable Mention and Encouragement prizes. This included a 2nd Place in the International Artist of the Year 2014 presented by Chroma and the T.V. show Colour In Your Life. My work has sold in Australia and Europe. I currently run an art group on Fridays in a factory at the Morisset industrial area. Anyone interested is welcome to join our free group where a small donation goes to a children's charity. For sales or information on my art group please phone or leave a message or just visit my website to see a large variety of works in different mediums and styles.
